APPOMATTOX AND BUCKINGHAM TIMES Established 1912
SOUTHSIDE VIRGINIAN—Established 1902 (Consolidated October 1, 1909)

Buckingham

The high school at Buckingham was closed last week on account of sickness. Mr. Groseclose and Miss Mabel Groseclose were both too sick to continue their work and some of the pupils were also sick.

Misses W. and Mary Glover are both on the sick list.

Mrs. Annie P. Cox accompanied by her cousin, W. W. Haskins, came here on Saturday and had the will of her husband M. J. Cox, probated. Monroe Jones, Addie Cox Wiley Haskins and Eddie Garrett were appointed as appraisers of the property left by Mr Cox. Mr. Cox left his home place to his widow during he natural life and to go to his adopted son, James H. Cox at her death.

Mr. Bowen an aged citizen who came here and bought a mill property near here is in a very feeble condition.

Mrs. B. F. Shoemaker is also in a precarious condition.

At the Association warehouse in Farmville the rush was so great that the managers have decided not to seel on Monday, but give the warehouse men time to clean up the tobacco on hand.

Commonwealth attorney E. W. Hubard has been spending some time in Richmond.

A bright star was noticed in the sky up to 12 o'clock on Saturday last and was much talked of on the streets of Farmville.

There is surely need for a phone line from Prospect to Farmville.

The presiding Elder on the Farmville circuit of the Methodist church preached at the church at Prospect last Sunday taking for his subject Parable of the Unjust Steward, making it plain to his hearers that tney were only Stewards of what God let come into their hands

The principal of the high school at Prospect is sick and Miss Ieader cannot take his work take charge of the Ivy Hill school in James River district of Buckingham county this morning.

Mr. and Mrs. Charles M. Barrell paid a visit to Mrs. Annie P. Cox at her home last week.

Mr. Robert A. Hall is doing a fine work as teacher of a school in James River district where there never was a school house before.

Teachers will be glad to know that arrangements will be made to pay what is coming to them from the state fund at an early date.

Mr. Gilbert Allen a valued citizen living near Curdsville is much improved in health under the care of Dr. Crute, of Farmville.

Mr. and Mrs. Cabell Robinson and Miss Mary Simpson add much to the social enjoyment of the village at Buckingham.

Mr. R. L. Gillespie runs 100 miles a day carrying the mail which is too much tax on any one man and I told him so.

Mr. Arthur Armstrong, of Farmville, was here on business on Saturday the 12th.

I was at Dillwyn Saturday and my attention was called to the immense quantity of timber Mr. H M. White has on his lumber yard.

Miss Maggie Gaines is a guest at the home of Mr. and Mrs. Charles G. Clay near Buckingham and she is in quite feeble health.

Mrs. Grace Boatwright a clerk of the county school board here is prompt and efficient also as an officer.

Mrs. R. F. Eidridge has been doing some good work for the treasurer of the county in making off the tax tickets.

If the tax payers of the county are opposed to a bond issue they should let Mr. Boatwright and Mr. Ferguson know it.

The sale of tobacco on the Lynchburg market at the auction warehouses amounted to about 4½ million pounds up to Christmas and the prices seem to be as good as those elsewhere. The low grade of lugs seem not wanted on any of the markets. Mr. Williams told the people on the Farmville market that 80% of the tobacco pledged to the association market had already found buyers at satisfactory prices. "Competition is the life of trade" and it is good to have more than one kind of market.

Forest View

This Monday morning is a beautiful spring morning. We are having so much changeable weather, the neighborhood is full of sickness

Our community was saddened last week by three deaths in the Woodson family. Robert Woodson was the first to succumb to the flu and pnuemonia. He was a good boy and we will miss him so much. The next was his mother, Mrs. Victoria Woodson, she was paralyzed last fall; but, had in a degree gotten over that and when the dreadful disease gripped her she soon passed away. There just being foure days difference in their deaths. She always had a smile for everyone and she will be greatly missed. They both died at the home of Courtney Woodson who has been very ill, also his whole family, but is reported better, his sister, Mrs. Julia Oake, of Pamplin attended them. Mrs W. W. Woodson, who was the next to follow was buried at Reedy Spring last Thursday, she leaves a husband and eight children, who will miss her so much. May the Lord bless and take care of these bereaved ones in this their hour of deepest trouble.

Rev. Ragland preached the best sermon at Central Baptist church last first Sunday, we have heard for some time. The day was a cold raw one and not many present.

Mr. and Mrs. Hunter Harvey of Baltimore, have been visiting relatives in the county.

Mrs. R. W. Martin son, C. E and daughter, Mrs. Annie Odor, have been on the sick list, but out again.

Mr. T. O Elder, of Brookneal, was visiting in the neighborhood Sunday.

Mrs. W. W. Overton and children, of Brookneal, and Miss Mary Dug Marshall have been compelled to stay at their father's since Xmas on account of sickness, they are better and also their father, Mr. N. D. Marshall is reported better.

Measles is reported in the homes of Messrs. W. T. Nash and Z M. Jones.

Mr W. L. Ford and Mr. Edd [illegible] have been better.

We Welcome Miss Earle Patteson of your town into our neighborhood as teacher of Petty's Fork school.

Vera

We make our best bow to the new Editors of the Times-Virginian, and trust that our relations may be as pleasant as they have heretofore with the retiring Editor.

Flu has been epidemic in this neighborhood the past week. We have heard of no deaths so far, but miserable, oh my!

The farmers are busy finishing up the old and starting the new crop of tobacco.

One sees plant beds in all directions burning.

Mrs. W. N. Kinney and two children, of Atlanta, Ga., are guests of Mr. and Mrs. H. W. Kinney.

Miss Emily Nuttycombe is visiting her father, Mr. A. Nuttycombe.

Mrs. R A. Steffins left for her home in Norfolk Sunday, after spending a month with her parents, Mr. and Mrs. H. W. Kinney.

The sympathy of this community goes out to Mr. B. G. Anderson in his sore affliction.

Wait, O thou anxious one; thy days of sorrow
Bring to thy weary soul its richest gain;
If thou a christian art, a bright morrow
Will give thee untold joy for all thy pain

Wait O thou anxious one; the cloud that hovers
In that gathering gloom above thy aching head
Is sent of God in mercy, and He covers
Thee with His heavenly mantle overspread.

J. T. Scruggs

On last Thursday night the death angel took from our midst Mr. John T. Scruggs Our neighborhood has lost one of its best citizens the family a most dutiful husband and father. He was only sick a short while and his death was a surprise to all. He was 47 years old. He is survived by his widow, two children Mrs. Rosa Gutrue Scruggs and Arthur Scruggs, and Miss Annie G an adopted child, one daughter-in law and one grandchild, two brothers T. L. of St. Louis, and [illegible] Scruggs of Buckingham, Underhill, of Petersburg

The body was laid to rest at his home. The entire community extends sympathy to the family.

Farewell dear friend thy labor is o'er
Your willing hands can toll no more
A faithful husband and father both true and kind
A truer friend you could not find
Gone but not forgotten.

Stonewall

Ford

THE UNIVERSAL CAR

INTERESTING FACTS

106,327 Ford Cars and Trucks Retailed in November

Approximately the same number scheduled for delivery this month

What Does This Mean?

This volume of deliveries to actual owners is entirely unprecedented for this time of the year—

It has taxed the manufacturing ability of the Ford plants working at full capacity—

It indicates a volume of business during the rapidly approaching months of "heavy demand" which will be far beyond the maximum production schedule which the Ford Motor Company has set—

And that means a Ford shortage even more acute than the one which existed last Spring and Summer.

Dealers' stocks all over the country are low—there are no reserves to draw upon to meet the demands for delivery—

There is no way in which dealer reserves can be built up, as deliveries have been made to customers as fast as cars could be manufactured since last April.

The only way you can protect your desire to obtain prompt delivery of a Ford even at this time is to place your order immediately.

This emphasizes more strongly than anything we could possibly say the necessity of your making prompt arrangements with a Ford Dealer for the listing of your order, particularly if you are contemplating the purchase of a Ford Car or Truck for use this Spring or Summer.

We believe you are entitled to know these facts as they actually exist.

MAKING THEM AMERICANS

How few of us realize the importance of making over the foreigner — of implanting American ideals, ideas and common sense in place of socialistic and maybe anarchistic theories. It means a lot to every American citizen. This work and many other interesting activities of the Department of Labor are discussed in the twelfth issue of the series of beautifully illustrated booklets on Our Government which we have been distributing to representative citizens of this community.

If by any chance you have failed to receive regularly your copies of this series that has been so favorably commented upon, visit us today and from the limited supply on hand we will gladly complete your set.
